Purpose

This policy is a statement of expectations regarding the behaviour of members of Church communities in the Diocese.

Background

By resolution 45/14, General Synod recommended that each diocese adopt Being Together as the statement of expectations regarding the behaviour of members of Church communities in the diocese. This policy implements that recommendation.

Being Together

Expectations of behaviour in our church community

Jesus told us to love one another as he loves us. As Christians we know our life together is strengthened when our behaviour is consistent with our faith. However, our experience of being together can be difficult, particularly when there are differences. So it is important to be clear about how we will behave towards each other.

Being a community:

- We will value the wellbeing of others.
- We will **encourage each other to participate** in the life of the church.
- We will consider the impact of our behaviour on others.

Relating to each other.

- We will **treat each other with respect and dignity**, irrespective of ability, gender, sexuality, race, age or contribution to the church.
- We will act with integrity and honesty in our interactions with each other.

Communicating with each other:

- We will **communicate respectfully** with others, and not in a way that threatens, belittles or humiliates.
- We will speak with integrity and honesty, and refrain from speculation and gossip.

Acknowledging difference:

- We will **respect those who are different** from us and not isolate or ridicule them.
- We will **listen to and seek to understand** the beliefs, opinions and practices of others, even when we do not share their views.

Responding to conflict:

- We will accept responsibility for our part in a conflict.
- We will be willing to play our part in resolving a conflict.
